SKSS Security Services LLP is a premier ISO 9001:2015 certified security group company offering a comprehensive range of services, including Security, Manpower, Housekeeping, and Investigation solutions.

We are committed to delivering professional, world-class, and uninterrupted services by consistently following a “Client First” approach. Over time, we have proven ourselves as a reliable partner—even during major crises—ensuring that your business continuity remains unaffected. Our personnel are highly trained and skilled to adapt to the fast-changing business environment. By offering integrated solutions that combine security, housekeeping, and manpower services under one roof, we enable our clients to outsource all non-core activities efficiently—eliminating the need to manage multiple vendors.

We are passionate about what we do and believe in providing the highest quality services at the most competitive cost. Our philosophy goes beyond traditional security—we deliver a complete “Security Guarding Experience.” This includes clearly defining roles and responsibilities and providing continuous training to ensure optimal performance and productivity.

Our goal is to make your investment in security more effective by enhancing the role of security personnel to support broader organizational interests. We aim to relieve management from security-related concerns by offering comprehensive, end-to-end solutions.

Our Mission

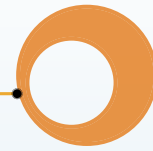

To provide comprehensive, reliable, and ethical security solutions. By combining the sharpness of an eagle's eye with the strength of a shield, we protect what matters most —24/7.

Our Vision

To set the benchmark in the security industry by fostering a culture of absolute trust and proactive vigilance, ensuring every client feels secure and empowered.

OUR SERVICES

Our trained facility staff handles your daily cleaning and maintenance needs in a professional and hassle-free manner.

Escort Guard Services

We provide trained and professional male and female Security Guards, Security Supervisors, and Security Officers at competitive rates. All personnel are background-verified and hold valid Police Clearance Certificates (PCC). Based on the size, location, nature, and specific requirements of your business, we design customized security solutions tailored to address your unique operational challenges and risks.

Manned Guarding Solutions

Ensure the safety of your female employees during night shifts with our trained and professional Escort Guards. Our services comply with the Shops and Establishment Act, helping organizations meet legal requirements while prioritizing employee safety. We have successfully partnered with multiple MNCs across India, maintaining a strong track record and a 100% client retention rate.

Event Security Management

Need reliable security for short-term or one-time events? We offer flexible deployment based on your daily or hourly requirements. Our team includes experienced and professional:

- Bouncers
- Security Officers
- Close Protection Officers

We ensure complete safety and smooth management for all types of events—corporate, social, or large-scale public gatherings.
